**Mobile salons.**

(A) A mobile home, motor home, trailer, or other recreational vehicle may be used as a mobile salon if it complies with the following:

(1) Mobile salons must satisfy all of the criteria for initial licensure under section 4713.41 of the Revised Code;

(2) Each mobile salon must be equipped with a functional sink and flush toilet with a holding tank;

(3) The mobile salon's responsible party's telephone number, e-mail address and permanent address shall be included on the mobile salon's application for licensure, and must be updated and accurate;

(4) In operation of the mobile salon, and in disposing of sewage and waste water, each mobile salon shall comply with all applicable federal, state, and local commercial, transportation, environmental, and sanitary regulations;

(5) No service may be performed on a patron in a moving vehicle. Services shall be performed in a mobile salon that is parked in a safe, accessible, legal parking spot;

(6) A mobile salon must report operating locations and times to the board, on a form prescribed by the board, prior to providing services to the public. The mobile salon owner may report a weekly or monthly schedule of operating locations and times, in a manner prescribed by the board, in lieu of reporting each location separately. The hours and locations must be reported with sufficient accuracy to permit inspectors to conduct inspections of mobile salons in the same manner as permanently-placed salons; and

(7) Operation of a mobile salon shall cease promptly when:

(a) Waste water storage capacity has been reached;

(b) The toilet and or sink are non-functioning; or

(c) The mobile salon no longer has an adequate supply of clean water, or adequate waste water capacity for completing all cosmetology services.

(B) Mobile salons must maintain proper licensure for the branch of cosmetology practiced in the salon.

(C) Mobile salons shall be subject to all laws and rules of Chapter 4713. of the Revised Code, and the rules promulgated under it, in order to obtain and maintain licensure.
