Natural Hair Stylist Practical

Examination Admittance Information:

Candidates are required to present one (1) of the following forms of government-issued, current, valid photo identification:

- Driver's license
- Military ID
- USA Passport
- Other form of Government Identification

Failure to comply will result in the candidate for examination being required to reschedule examination date.

Candidates will NOT be permitted to enter the examination room if arrival time is after the initial examination check-in process has been completed or after the time allotment has expired for a lunch break. In order for the candidate to be rescheduled for an examination, the reschedule fee must be submitted.

Candidates that are absent on their scheduled examination date or cannot be admitted to the examination will have their examination fee forfeited. To be rescheduled for an examination, the reschedule fee must be submitted.

- Examination fees are non-refundable.

Personal items such as purses, coats, hats, scarves, cell phones, Smart watches, cameras, tablets, or other electronic devices are not permitted in examination rooms. Secure lockers are available in the lobby area and must be used to store personal items.

Exam Center Infection Control Guidelines:

An appropriate disinfectant is required to be used during the examination.

Candidates must follow all appropriate infection control and public protection procedures during all phases of the examination. In the event of a blood spill candidates will be expected to follow the appropriate Blood Spill procedure.

- For objects that come in contact with intact skin, the appropriate disinfectant would be an environmental protection agency (EPA) registered, hospital grade bactericidal (esp. pseudomonacidal), virucidal, and fungicidal (quaternary ammonium compound - "quat") that is mixed and used according to the manufacturer's directions. For objects that come in contact with bodily fluids or blood, an appropriate disinfectant would include an EPA disinfectant registered as effective against "HIV/HBV". **NOTE: Disinfectant used for the examination should meet both guidelines.**
- Manufacturer's labels are required on all disinfectants and hand sanitizers. Labels must be original or photocopied originals. **(Hand written or typed labels are NOT acceptable).**
- Any procedure that requires a demonstration with the use of a chemical will be completed by using a simulated product.

Prohibited Acts/Materials:

- Communicating to other candidates and/or borrowing supplies during any portion of the examination process.
- Use of cell phone for talking and/or texting during any portion of the examination. This includes examination clean-up time and restroom breaks.
- Printed materials, handwritten notes, and itemized supply/procedure list(s) are **NOT** permitted.
- Writing examination information on body parts (ex: hands, arms, legs, etc.) that could be used by candidate in any portion of the examination.
- Numbering of products and/or supplies to aid in the proper order to be used during any procedure may result in dismissal or points deducted from the examination.
- Unauthorized replication of examination materials for distribution and/or future use.

Failure to comply with examination center guidelines will result in dismissal from the examination. If dismissed, reschedule of the examination will not be accepted for at least thirty (30) days.
